Permits and Inspections

The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when violation of this code or other ordinances of Dallas County. It shall be the duty of the person doing the work authorized by a permit to notify the building official that such work is ready for inspection. The building official may require that every request for inspection be filed at least one (1) working day before such inspection is desired. It shall be the duty of the person requesting any inspections required by this code to provide access to and means for inspection of such work.

I hereby acknowledge that I have read this application and state that the above is correct and agree to comply with all County Ordinances and State Laws regulating building construction.
